

# CHECKLIST FOR APPLICATION TO NPC RADIOLOGIC TECHNOLOGY PROGRAM

Thank you for your interest in NPC's Radiologic Technology program.  
Please be sure that you have completed every step below.

Applications are accepted January through April 15.

- ☐ If you are not a current NPC student, please apply for admission to National Park College (Go to [National Park College Website](#) and select the green button that says APPLY NOW) and have all official transcripts (high school and college) sent to NPC, 101 College Drive, Hot Springs, AR 71913.
- ☐ Attend a mandatory radiologic technology admissions meeting.
- ☐ Following the mandatory meeting, meet with program faculty to set up an individual appointment. Bring unofficial transcript(s) to appointment.
- ☐ Submit program application by April 15th to program director.
- ☐ Set up TEAS account and schedule the ATI TEAS exam. Visit [ATI Testing](#) to register.
- ☐ Take the ATI TEAS exam at the testing center. For entrance into the exam, please bring your NPC student ID.
- ☐ Meet with program faculty to discuss your ATI TEAS exam scores. The exam may be taken twice.

All paper work including application must be completed to the Radiologic  
Technology program by April 15<sup>th</sup>.

Letters regarding admission will be sent out in late May.
